## Wheels, Skis and Floats The Northern Adventures of a Pioneer Pilot

By Burton EC Grant Robert

Hancock House, 1998. Condition: New. Wheels, Skis and Floats tells the story of one of Canada's pioneering pilots. For an adventurous young Englishman, the early years of aviation offered much in the way of challenges and excitement. In the right place and the right time, Ed Burton was able to fly practically every type of airplane as it came into service. Wheels, Skis and Floats tells the story of one of Canada's pioneering pilots. From barnstorming and instructing in the Royal Flying Corps to delivering mail and bush flying with Ontario Provincial Air Service, Burton's exploits are vividly recounted. Diaries, newspaper clippings, personal letters and sketches, as well as an impressive collection of photographs contribute to the background of this very interesting book.

### Reviews

*Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.*
