## PARIS NOCTURNE (PAPERBACK)

Yale University Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. An accident, a vanishing, a memory gap, a strange dream: a classic noir work of fiction by Nobel laureate Patrick Modiano This uneasy, compelling novel begins with a nighttime accident on the streets of Paris. The unnamed narrator, a teenage boy, is hit by a car whose driver he vaguely recalls having met before. The mysterious ensuing events, involving a police van, a dose of ether, awakening in a strange hospital, and the disappearance of the woman driver, culminate in a packet being pressed into the boy s hand. It is an envelope stuffed full of bank notes. The confusion only deepens as the characters grow increasingly apprehensive; meanwhile, readers are held spellbound. Modiano s low-key writing style, his preoccupation with memory and its untrustworthiness, and his deep concern with timeless moral questions have earned him an international audience of devoted readers. This beautifully rendered translation brings another of his finest works to an eagerly waiting English-language audience. Paris Nocturne has been named a perfect book by Liberation, while L Express observes, Paris Nocturne is cloaked in darkness, but it is a novel that is turned toward the light.
