It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Riverdale Avenue Books, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Gore Vidal was a good friend for over sixty years. If you want to know who Gore really was, read *In Bed with Gore Vidal*, which uncovers, and evokes, his complicated private life and how that influenced and shaped his wider life, politics, and work. Lost loves, sex with hustlers, a life with Howard Austen, his relationships with women and the truth about his sexuality: this is a juicy, intelligent and honest portrait of a dear friend and exceptional writer and man. -Scotty Bowers, author of *Full Service: My Adventures in Hollywood and The Secret Sex Lives of the Stars* Gore Vidal claimed there was no such thing as gay, only gay sexual acts. But what was the truth about his sex life and sexuality-and how did it affect and influence his writing and public life? In *In Bed With Gore Vidal: Hustlers, Hollywood, and the Private World of an American Master*, Tim Teeman interviews many of Vidal s closest family and friends, including Claire Bloom and Susan Sarandon, as well as surveying Vidal s own rich personal archive, to build a rounded portrait of who this lion of American letters really was away from the page. Here, revealed for the first time, Teeman discovers the Hollywood stars Vidal slept with and the reality of his life with partner Howard Austen-and the hustlers they both enjoyed. Was Gore s true love really a boy from prep school? Was he really, as he said, bisexual, and if so how close did he really get to marrying women, including Claire Bloom and Joanne Woodward? And if Vidal really was gay, why did he not want to say...
