

What Price Love?

By Stephanie Laurens

HarperCollins Publishers Inc. Paperback. Condition: new. BRAND NEW, What Price Love?, Stephanie Laurens, Dillon Caxton, protege of Demon Cynster, is disillusioned with love. Blessed with wealth, status, and stunning good looks, he has no time for marriage-hungry misses. As a guardian of the "Sport of Kings" he has a daring criminal scheme to thwart-one that threatens to wreak havoc on the thoroughbred racing world. Enter ravishingly beautiful Lady Priscilla Dalloway. She, too, has no time for romance - she has to rescue her horse-mad twin brother from the dangerous swindle in which he's become embroiled. But the man holding the key to finding her twin is Dillon - who allows her to believe he is immune to her charms. The lady is Dillon's only lead to the criminals, and Pris will do anything to save her twin, including seducing the said-to-be unsexable. Linked in a journey riddled with danger and passion, they find themselves facing that terrifying question: What price is love?.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
