White Eagle Publishing Trust, United Kingdom, 1990. Paperback. Book Condition: New. New edition. 214 x 138 mm. Language: English . Brand New Book. Astrology the Sacred Science is a visionary book, in which astrology is used to describe the individual s path to perfect awareness, both on earth and at a spiritual level. It is a book about human destiny and the great cycles of creation, but also one which deals with how to apply the principle of love, the greatest of all the laws of life, in daily life. It can serve as an introduction to esoteric (spiritual) astrology, and it can offer a whole new approach to even the most experienced astrologer. To the layman, however, it should still be completely understandable.
