How to Make Your Images Look Gorgeous - The Beginner s Guide to Image Editing This book was written for the single purpose of making it easier for beginners to achieve amazing results with image editing enabling them to make their photos look professional and beautiful. This book is not about how to use your camera or how to shoot photos. It is about what you do with your photos after you have shot them. Have you ever wondered why the pictures in magazines and print media are so perfect? Do you feel puzzled looking at the pictures shot by professional photographers and wonder how come their shots are way better in quality than yours, even though you have a good DSLR camera? That is because they have been edited by master editors. Now you can become one too, and this book by Michael will help you do exactly that, become great at image editing and that too in just 9 days. You ll learn to dramatically improve your images and image edits that take you hours to create will be achieved...
