Guide to Obstetrics & Gynecology: Including Neonatology with Homeopathic Therapeutics

By B Jain

B Jain Publishers, 2004. Softcover. Condition: New. First edition. The authors of this book have made the subject as complete as possible by including a section on neonatology which includes all the relevant topics encountered in day-to-day practice. In obstetrics, all topics from the basic principles of reproduction to diagnosis of pregnancy to antenatal care to the mechanism of normal and abnormal labor have been dealt with. The authors of this book have made the subject as complete as possible: By including a section on neonatology which includes all the relevant topics encountered in day-to-day practice. It includes care of the newborn, neonatal examination, and diseases affecting the new born like respiratory distress syndrome, meconium aspiration syndrome, etc. In obstetrics, all topics from the basic principles of reproduction to diagnosis of pregnancy to antenatal care to the mechanism of normal and abnormal labor have been dealt with. A special mention has also been made of the operative procedures in obstetrics. Gynecology has also been thoroughly dealt with by including infertility and contraception. An attempt has also been made to include all the important homoeopathic therapeutics in each topic. Wherever necessary allopathic treatment is also included. Hence, the reader does not...
