Dimensions: 9.7in. x 7.4in. x 0.1in.Excerpt: . . . give them two nights in camp, even if they did have to come back on Sunday afternoon in order to be ready for school on Monday. And it looks like we might have fine weather along with us, too, Elmer told the others, as they said goodnight at his door; theres a tang like frost in the air even now, and you can see your breath easily. That means well enjoy a camp fire more than ever, because it never feels half as good on a hot summer night. Look for you bright and early, Toby, with the wagon and the tent and all the stuff. Ill be ready with my bundles, and that piece of ham. All preparations having been made they parted with mutual good wishes for a fair dawn, and Elmer, standing there in the doorway, found himself a little disappointed because there had been no response to the invitation extended to Connie Mallon to bridge over the chasm, at the time they left those nuts in his yard. Elmer was astir long before daybreak on the following morning, because he meant to get himself a light breakfast, so as to be ready for the wagon when it came along about sunrise. Having satisfied his hunger, and seen that all his various bundles were ready he stepped out of the back door to listen, in expectation of hearing the sound of wheels. Then he had a little surprise, for hanging there on a nail beside the door was a brace of freshly killed rabbits; and Elmer knew to a certainty nothing 98 the kind dangled there on the preceding evening. He took them down, and laid them on the kitchen...
