Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What is it that separates the truly successful men and women who exist in that upper strata of corporate environment-that is, the sanctuaried-from those individuals who almost made it.but not quite? This question prompted a comprehensive research that spanned more than two decades and culminated in several years of statistical analysis. The individual who designed this study now reveals surprising findings. In Sanctuaried: The CEO Divining Rod, organizational effectiveness psychologist Roger E. Hawkins, PhD breaks down his data and applies it to seven notable individuals. From them, we learn important elements that contribute to success and lead to membership in that inner sanctum of the corporate elite. What do these sanctuaried executives have in common? The author looks at the Significant Life Events (SLEs) that many of these people have experienced on their way to the top. Using their experiences as a guide, readers are able to assess their own experiences and devise steps toward moving forward. According to Dr. Hawkins, this compelling book can become the foundation science book for personal growth. By paying close attention to his...
