## The Science of Intuition: How to Access the Inner-Net of Intuitive Knowledge (Paperback)

By Nora Truscello

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Heidi Sutherlin (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Intuition is data processing too fast for our conscious mind to comprehend. The Science of Intuition: How to Access the Inner-Net of Intuitive Knowledge will guide you through several techniques designed to make intuition an understandable, common occurrence. When you finish reading and applying the exercises, you ll be able to retrieve answers about relationships, finances, health, or anything else you can think to ask. The answers are ripe for picking if you follow the instructions on how to plant the seeds, nurture them, and then harvest the fruits of this gift called intuition. The amount of information we have flowing towards us at any given time is immeasurable. The problem is that we don t know how to access all this storehouse in blessings of wealth, love, security, peace, and knowledge. Each of us feels intuitive information, represented by an energetic signature, which I call our Intuitive Footprint(TM). This Intuitive Footprint(TM) is unique to each of us and, is essentially our own personal language of intuition. After many years of assisting with healings and clearings, author...
