Idea Design Works, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. This series fills a major gap in Star Trek lore, presenting the never-before-reprinted comics that originally appeared in weekly British magazines beginning in 1969. These are the U.K. voyages of the starship Enterprise-and, now, at last, fans everywhere can experience them. This third volume reprints all comics from 1972 to 1979 and concludes the 3-volume series that presents the complete Star Trek UK comics. Bonus material includes various one-shots and annuals, as well as strips created for various merchandise and toys. Star Trek expert Rich Handley provides the second half of a detailed encyclopedia of all things Star Trek from these British comics. Exploring the minutiae is half the fun of enjoying a franchise, and when it comes to Trek, there s no end of trivia to devour.
