Share the Word is a curriculum providing an in depth study of the Bible. This study is a selection of 42 narrative stories broken into three sections and is intended to be used over the course of a year long study of the Bible. These three sections include three essential foundations for the life of a disciple. Using an Oral Bible Study method, the curriculum is designed to bridge cultural and literacy barriers while providing a solid theological education. Term 4-Knowledge and Doctrine Term 5-Character Development Term 6-Spiritual Life and Ministry Each lesson focuses on one Bible story, with questions for discussion and application as well as related verses for further study. It serves as a template for a Christ-centered discipleship through a method resembling the parables and questions that Jesus used to train his disciples.
