HarperCollins Publishers Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Now widely available, the popular, award-winning, self-published guide to help women get out of debt, rebuild their credit, and fulfill their financial dreams. Patrice Washington rationalized her excessive spending. I work hard, I deserve this. I bought it on sale. But at twenty-two, the recent college graduate was \$18,000 in debt and sinking fast. It was time to take control. Patrice educated herself about finance, adopted a new attitude toward money, and most importantly, adjusted her spending habits. By twenty-five she was debt free--and used the wisdom she gained to start her own successful real estate and mortgage brokerage--and by twenty-nine started her own financial counseling business. Patrice s former bad spending habits aren t unique, and women find themselves in financial hot water for a host of reasons. Women earn less than men and have to stretch those hard-earned dollars further. They contribute more to caregiving and aging parents, live longer, and many--including most African American women--are choosing to stay single. Real Money Answers for Every Woman teaches you how to take responsibility for your financial future, whether you re just starting out or need a fresh start. In a handy Q A format, it offers relatable and easy to understand and implement advice on everything from managing credit cards, home ownership, and student loans to affordable childcare and even negotiating for a higher salary. Following Patrice s practical advice, you ll learn to form wealthy habits, establish an opportunity fund, stop collecting STUFF that causes debt, and discover the freedom that comes from feeling financially secure.
