Forgotten Books. Paperback. Condition: New. This item is printed on demand. 112 pages. Dimensions: 9.0in. x 6.0in. x 0.2in.Excerpt from The Epicurean or Connoisseur ManualMy apology for this addition to the list is a sincere desire to present a cook book which shall contain a moderate number of recipes, all of which are practical working receipts. In brief, the aim has been to make the book eminently practical for the average housekeeper. Some of the receipts contained herein have been gathered from practical housekeepers. Many of them are of my own origin, but have never before been in print. Having faithfully done the work, I commit the Manual to the masses of housekeepers who are engaged in the work of modern cooking. About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. This item ships from La Vergne, TN. Paperback.
