Then, having a healthy acid-alkaline balance is essential for both your health and quality of life. Written by Susan Richards, M.D., best selling author and one of the most renowned alternative medicine experts, this incredible guide to restoring your acid-alkaline balance will literally transform your health and the quality of your life. Dr. Richards have seen the importance of having a healthy acid-alkaline balance in many thousands of her patients and this has been researched and confirmed in thousands of medical studies. In its natural, healthy state, the human body is slightly alkaline. Virtually all of our cells and tissues contain significant amounts of alkaline substances, such as minerals, oxygen, and bicarbonate. Our blood must maintain a state of slight alkalinity for our very survival. Almost all of our crucial bodily functions-including immunity, digestion, and cardiovascular health-as well as most of our metabolic processes and enzyme reactions require a slightly alkaline internal environment. Both peak performance and...
