Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. The recent credit crisis and the resulting bailout program are unprecedented events in the financial industry. While it s important to understand what got us here, it s even more important to consider how we should get out. While there is little question that immediate action was required to stabilize the situation, it is now time to look for a long-term plan to reform the United States financial industry. That is where Bob Pozen comes in. Perhaps more than anyone in the industry, Pozen commands the respect and attention of the public and private sector. In this timely guide, he outlines his vision for the new financial future and provides actionable advice along the way. To Pozen, there are four high-priority problems that must be addressed, and this book puts them in perspective. The book: Analyzes alternative models for government stakes in banksRecommends a new board structure for large financial institutionsExamines the importance of broader Fed jurisdiction over systemic risksProposes a way to revive the securitization of loans With Too Big to Save, you ll learn the likely future of the finance industry and understand why changes have to be made.
