Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My First Songbook is a collection of easy to play songs written in big, colorful and easy-to-read music notation. Even if you've never played an instrument, using this book and a color coded instrument, you and your kids will be developing your musical ears and playing an instrument in no time. The colors in the book match the world's most popular note-coloring system, Chromanotes(TM). This makes it perfect for Boomwhackers, bells, or a piano with color coded stickers. Each song also has a Solfege (Curwen) Hand Sign section. By singing with the hand signs, you attach pitch to a kinesthetic movement which helps develop your child's sense of Perfect Pitch. As a bonus, this songbook comes with a companion video course that walks you through the hand signs, explains how we read music and introduces kids to the idea of rhythm. It features the author, Mr. Rob, in an animated music lesson series that will walk your child through playing 3 of the songs in the book. Featuring:- Colorful and easy-to-read music with lyrics, notation, and hand-signs for 12 beloved kids songs- BONUS: Video Companion Course- Twinkle Little Star, Row Your Boat, Farmer in the Dell, Sweet Beets, Avocado, Mary Had a Little Lamb, Hot Cross Buns, On Top of Spaghetti, Avocado, When The Saints Go Marching In, Jingle Bells).
