

The Polish Peasant in Europe and America, Vol. 1: Monograph of an Immigrant Group (Classic Reprint)

Filesize: 6.91 MB

Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.
(Mr. Kristoffer Hills)

THE POLISH PEASANT IN EUROPE AND AMERICA, VOL. 1: MONOGRAPH OF AN IMMIGRANT GROUP (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Polish Peasant in Europe and America, Vol. 1: Monograph of an Immigrant Group Among the questions included in the as yet relatively unformulated field of social science (without reference to logical order) are: immigration; racial prejudice; cultural assimilation; the comparative mental and moral worth of races and nationalities; crime, alcoholism, vagabondage, and other forms of anti-social behavior; nationalism and internationalism; democracy and class-hierarchization; efficiency and happiness, particularly as functions of the relation of the individual to the social framework containing his activities; the rate of individualization possible without disorganization; the difference between unreflective social cohesion brought about by tradition, and reflective social co-operation brought about by rational selection of common ends and means; the introduction of new and desirable attitudes and values without recourse to the way of revolution; and, more generally, the determination of the most general and particular laws of social reality, preliminary to the introduction of a social control as satisfactory, or as increasingly satisfactory, as is our control of the material world, resulting from the study of the laws of physical reality. Now we are ourselves primarily interested in these problems, but we are convinced of the necessity of approaching these and other social problems by isolating given societies and studying them, first, in the totality of their objective complexity, and then comparatively. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
