The Glass Cage: Automation and Us

By Nicholas Carr

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. At once a celebration of technology and a warning about its misuse, *The Glass Cage* will change the way you think about the tools you use every day. In *The Glass Cage*, bestselling author Nicholas Carr digs behind the headlines about factory robots and self-driving cars, wearable computers and digitized medicine, as he explores the hidden costs of granting software dominion over our work and our leisure. Even as they bring ease to our lives, these programs are stealing something essential from us. Drawing on psychological and neurological studies that underscore how tightly people's happiness and satisfaction are tied to performing hard work in the real world, Carr reveals something we already suspect: shifting our attention to computer screens can leave us disengaged and discontented. From nineteenth-century textile mills to the cockpits of modern jets, from the frozen hunting grounds of Inuit tribes to the sterile landscapes of GPS maps, *The Glass Cage* explores the impact of automation from a deeply human perspective, examining the personal as well as the economic consequences of our growing dependence on computers. With a characteristic blend of history and philosophy, poetry...

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.
