Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Ms. Ora Buckridge)

SECESSIA

Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. New Orleans, May 1862. The largest city in the ill-starred Confederacy has fallen to Union troops under the soon-to-be-infamous General Benjamin the Beast Butler. The city is rife with madness and rage. When 12-year-old Joseph Woolsack disappears from his home, he draws into the unrest his mother, Elise, a mixed-race woman passing for white, and his father, Angel, whose long and wicked life is drawing to a close. What follows forces mother and son into a dark, new world: Joseph must come to grips with his father's legacy of violence and his growing sentiment for Cuban exile Marina Fandal, the only survivor of a shipwreck that claimed the lives of her parents. Elise must struggle to maintain a hold on her sanity, her son, and her own precarious station but is threatened by the resurgence of a troubling figure from her past, Dr. Emile Sabatier, a fanatical physician who adores disease and is deeply mired in the conspiracy and intrigue surrounding the occupation of the city. Their paths all intersect with General Benjamin Butler of Massachusetts, a man history will call a beast but whose avarice and brutal acumen are ideally suited to the task of governing an ungovernable city. Alternating between the perspectives of the five characters of Elise, Dr. Sabatier, Joseph, Marina, and Butler, *Secessia* weaves a tapestry of ravenous greed and malformed love, of slavery and desperation, set within the baroque melting pot that is New Orleans. A Gothic tableau vivant of epic scope and intimate horror, *Secessia* is the netherworld reflection of the conflict between North and South.
