

Rooftop Garden

By -

Gingko Press Gmbh Jun 2013, 2013. Buch. Book Condition: Neu. 297x248x38 mm. Neuware - Rooftop Gardens is the first comprehensive look at green rooftops around the world and is indispensable for designers, landscape architects, and anybody interested in gardens and leisure spaces. As cities continue to grow, making large expanses of street level real estate less readily available, many creative contemporary designers see rooftop green spaces as a unique solution for urban leisure and rejuvenation. Elevated green roofs eliminate city and traffic noise, provide better air quality, and allow for amazing panoramic views of the city. The large scale projects in Rooftop Gardens span the globe and have a variety of functions, from luxury restaurants and hotels to business meeting rooms. Design considerations include the weight of materials, site dimensions, materials, climate, seasonality of foliage, irrigation systems, insulation, day and night lighting conditions, and the colors of the plants from above during every season. Beautifully photographed and immediately engaging, featured spaces include a rooftop swimming pool that appears to drop abruptly off the side of a Singapore skyscraper hotel and the New York Museum of Modern Arts American style zen roof garden made out of recycled materials. Fully illustrated with...

Reviews

An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.

-- Jarod Ward

Complete information for publication enthusiasts. It is really basic but shocks inside the fifty percent of your book. I am just delighted to let you know that this is basically the finest book i have read through in my individual lifestyle and might be he best pdf for actually.
