And within the pages of this book, you will find many of those wonderful truths. Truths that Satan has distorted and twisted in an attempt to keep truth seekers from finding them. But as you read with an open heart, receiving what God is saying, I believe that the traditions of men, false doctrines and unbiblical teachings will be exposed. And those who sincerely desire to know the truth will find it. For those of you who have already experienced God s love through faith in Christ, my prayer is that you will fall even more in love with Jesus than you ve ever been before.
