## Volume 2 Sun Tzus Art of War Playbook Perspective

By Sun Tzu

Clearbridge Publishing. Paperback. Condition: New. 166 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. This is Volume Two (27 articles) of our Art of War Playbook. This section of the Playbook focuses on Sun Tzu's concepts for using information in competition, specifically, getting a more complete and useful picture from competitive information. In Sun Tzu, key strategic information is a combination of objective facts and subject opinions that changes dramatically with a shift in perspective. The Playbook itself is the culmination of over a decade of work breaking down Sun Tzu's principles into a series of step-by-step practical articles by the Institute's multiple award-winning author and internationally recognized Art of War expert, Gary Gagliardi. Unlike most of Gagliardi's other books on The Art of War, this work does not follow the original works' structure, verse by verse. Instead, it explains the concepts described in the quoted verses in a manner more familiar to modern readers. The original Art of War was originally written for military generals who understood the philosophical concepts of ancient China. Our Art of War Playbook is written for today's reader with enough descriptive material so that Sun Tzu's principles can actually be used in everyday competition. It puts Sun Tzu's...
