### **Reviews**

*Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.  
(Prof. Damon Kautzer III)*

**LOTUS LAND: BEING AN ACCOUNT OF THE COUNTRY AND THE PEOPLE OF SOUTHERN SIAM (CLASSIC REPRINT)**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Lotus Land: Being an Account of the Country and the People of Southern Siam No tales of adventure will be found in the following pages, nor have I anything to say concerning the rulers of Siam, but I have tried to give a faithful account of the peasantry, amongst whom I lived for three years. Those who are acquainted with the literature of Siam will find much here that has been said before, yet to the great majority of English readers Siam is still an almost unknown land, and to have left out all these portions would have been to present a very incomplete picture. I trust that the book contains sufficient that is new to justify the retelling of that which is old. The greater part of the introduction consists of a historical sketch of Siam. In the present state of our knowledge much remains pure conjecture, and those who refer to the works of my authorities will find that they are full of conflicting statements. It is with the hope that more of the Europeans now resident in Siam may become interested in this field of research, and help to clear up the many points now in doubt, that I have given this summary in an easily accessible form. The frontispiece is from a sketch by Nai Chan, a Siamese artist. The photograph of elephants in the paniet, facing p. 228, was taken by a Bangkok photographer. All the remaining illustrations are from my own photographs and sketches. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
