Reviews

*Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.
(Newton Runolfsson)*

MAGEBORN: THE ARCHMAGE UNBOUND

Tantor Media, Inc, United States, 2013. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. Mordecai s growing power and success have made him a threat, not just to the gods and their minions, but also to the king of Lothion. An unholy bargain has been struck to bring him to heel and increasingly it seems that victory may not be worth the price, not if the cost is measured in the blood of his family. Wizard, lord, husband, father, and now archmage . . . no man can balance so many roles without sacrificing something. Will the world be worth saving if it costs him the very reasons he has for living in it?.
