Brand New Book ***** Print on Demand *****.Ramblings is a humorous compilation of poetry written by a small town bartender/owner who seems to know his customers quite well. This book will bring you a chuckle or two with a small amount of sentimentality mixed in. With each name, there is a story. Because we live in a small rural area, they seem unique to us. But they are not. I am sure that you can find these people in every small town in the Midwest. Still, I sometimes suspect there is something wrong with our water!.
