Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Death: A Midnight Experience is a book aimed at healing the broken heart of the mother who has lost her child to death. The bond between mother and child is deep, mysterious and immeasurable. Therefore, the break of this bond at the hands of death often leaves emotional scars that can result in spiritual damage. This book is offered to assist in the rediscovery of self through a spiritual transformation. It is designed to answer, with the help of the spirit of God, "What is God's purpose during this season?" Death: A Midnight Experience contains the testimonies of seven mothers who carefully walk you through their last moments with their children. Some of the children were adults and some were babies. Some transitions were peaceful, and others were not. Without a doubt, this is the most difficult season a mother can experience. Death: A Midnight Experience creates an intimate opportunity of reflection for the reader based on the true stories captured in this book. Its intent is to offer hope and initiate healing in the spirit where grief has possibly birthed guilt, shame, self-doubt and fear. Most importantly, this book lets the reader know that they are not alone. What does recovery look like when the funeral crowds dissipate? How is the "new" normal achieved? Sometimes even the effort to attend a support group requires more than a grieving mother can do. Prayerfully, this book will command the attention of the reader to address the need for a relationship with God through Jesus the Christ and serve as motivation to spend more time with God through worship and service within the local church.
