ALL MATH WORDS DICTIONARY: COMPACT EDITION

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Compact. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.All Math Words Dictionary is designed for students of pre-algebra, algebra, geometry, and intermediate algebra. It is designed using the four C s of math writing: Concise: Definitions are compact, yet understandable. Complete: All words and phrases of interest to targeted students are included, plus a few just beyond the scope of the target classes. Tables of symbols and notation, formulas, and units of measurement, plus lists of properties of objects give the student all the information needed to weld their understanding of the concepts and decipher many problems. Correct: The definitions have been thoroughly reviewed for mathematical and literary correctness. Comprehensible: The definitions are written to be understood by targeted students. Abundant illustrations aid in understanding. One of the difficulties many students experience in learning math skills has to do with the fact that an entire language, both spoken and written, has grown up around math. Students that acquire that language are successful in math studies. Students that do not acquire that language have serious problems with mathematics. This dictionary is designed to aid in the acquisition of the language of math. This dictionary has: over 3000 entries more than 140 notations defined in excess of 790 illustrations IPA pronunciation guide greater than 1400 formulas, equations, definitions, examples, identities and expressions. While teaching high school math, the author, David E. McAdams, noted that some students did not understand even simple math statements, such as "This equation is determinate." Those students who had not acquired a basic math vocabulary were left behind, becoming frustrated and mentally dropping out of class. Mr. McAdams quickly added vocabulary exercises to his classroom teaching, but found that there were no adequate resources...
