HERMENEUTIC INTERPRETATION OF THE ORIGIN OF THE SOCIAL STATE OF MAN (PAPERBACK)**DOWNLOAD**

Hermetica Press, 2007. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book ***** Print on Demand *****. Antoine Fabre d Olivet (December 8, 1767-March 25, 1825) was a French author, poet, and composer whose biblical and philosophical hermeneutics influenced many occultists, such as Eliphas Levi and Gerard Encausse (Papus), and Rene Guenon. D Olivet spent his life pursuing the esoteric wisdom concealed in the Hebrew scriptures, Greek philosophy, and the symbolism of many ancient cultures as far back as ancient India, Persia, and Egypt. His writings are considered classics of the Hermetic tradition. His best known works today are his research on the Hebrew language (The Hebraic Tongue Restored), his translation and interpretation of the writings of Pythagoras (The Golden Verses of Pythagoras), and his writings on the sacred art of music. In addition to the above two books and the present one, Hermetica has also published in consistent facsimile format for its Collected Works of Fabre d Olivet series Cain and The Healing of Rodolphe Grivel. D Olivet s interest in Pythagoras started a revival of Neo-Pythagoreanism that would later influence many occultists and new age esotericists. His mastery of many ancient languages and their literatures enabled him to write (in the time of Napoleon) his Hermeneutic Interpretation of the Origin of the Social State of Man and the Destiny of the Adamic Race, which remains a landmark investigation of the deeper esoteric undercurrents at work in the history of culture. A selection of chapter titles indicates the scope of this extraordinary text: Intellectual, Metaphysical Constitution of Man; Man is One of Three Great Powers of the Universe; Division of Mankind; Love, Principle of Sociability; Man is First Mute-First Language Consists of Signs; Digression on the Four Ages of the World; Deplorable Lot of Woman; Origin of...
