Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Update: Corrected typos The importance of presenting the Gospel message in terms which the little child can understand is inestimable. During His earthly ministry, our Lord Jesus Christ recognized this need for simplicity, and constantly taught the people spiritual lessons through reference to objects with which they were most familiar. The wise pastor today must be ever on the alert to employ this method in presenting the truth to the children of his congregation. Since fully eighty-five per cent of our knowledge is acquired through the eye-gate, this avenue of approach should be more widely utilized than is generally the case. As a part of the morning service each Lord s day, in the Church of the Open Door, Los Angeles, California, the pastor, Rev. Louis T. Talbot, gives an object lesson for children, presenting vital spiritual truths applicable to young and old alike. To meet the demand of many who know of this plan, and in order to furnish practical examples for those desiring to follow this method, Mr. Talbot is making available much of the material which he has recently used. It gives me great pleasure to write this note of commendation of the illuminating and appealing lessons which have been used with such benefit in the services of the Church of the Open Door. I, for one, rejoice greatly that this suggestive material is now accessible to all those who seek to utilize the object lesson method in leading the children into a deeper interest in the things of God. Elbert L. McCreery. Dean of the Bible Institute of Los Angeles, March, 1934.
