

This Is Not a Novel

By Jennifer Johnston

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Grappling with the loss of her brother three decades prior, a woman digs into her family's past and uncovers generations of betrayal, half-truths, and secrecy. Imogen's brother, Johnny, disappeared thirty years ago, ostensibly the victim of a drowning accident - a story to which everyone but Imogen subscribes. Johnny was too good of a swimmer, she reasons, and his body was never found. Imogen alone believes that he is still alive. To get to the truth, she dives into her memory and her family's history, all the way back to World War I-era Ireland and the long-buried events that forever changed them. Lyrical, gripping, and compact, *This Is Not a Novel* is Imogen's first-person account of her search. Portrayed through fragments of memory, letters, and poetry, the book is not only a retelling - it is an appeal to Johnny, wherever he is, to come back home.

Reviews

This written publication is wonderful. It really is loaded with knowledge and wisdom. You will not really feel monotony at any time of your time (that's what catalogues are for relating to if you ask me).
