SIMON SCHUSTER, United States, 2006. Paperback. Condition: New. ed. Language: English . Brand New Book. At 30, Laura Doyle, like millions of women, was miserable in her marriage, but she couldn't put her finger on the cause. I was lonely and I was exhausted from trying to do everything myself. When I learned to stop controlling and criticising my husband and practised receiving graciously, something magical happened. The union I had always dreamed of appeared. The man who had wooed me was back, writes Doyle. In THE SURRENDERED WIFE, Laura Doyle presents a radical and controversial approach to relationships: women can enjoy great sex, harmony and the intimacy they crave when they stop controlling their partner. Surrendering, she says, is the simplest principle for a great marriage and thousands of women swear by it. Covering both the emotional and practical aspects of marriage, it teaches women valuable lessons including how to respect the man they married, how to resist the temptation to bicker and how to trust their man. But most importantly, it shows how you can fall in love with your man all over again. With marriages and relationships fast becoming the first casualty of modern life, THE SURRENDERED WIFE could be the key to happy ever after .
