Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A collection of inspirational thoughts that inspired Craig early in his writing career This is one of my first manuscripts and a rather short one at that - just like the author. I have also included a separate section on motivational quotes for all salespeople and on business in general (see Part Two). These often helped me in my rather more formal previous commercial career. But even if you are not in business, nor in sales you might find them inspiring (or inspirational) as we journey through the game that is life. I do. . so time to get right into it / them and get cracking or weaving as my dear mother would say. If a man is called to be a street-sweeper, he should sweep streets even as Michelangelo painted, or Beethoven composed music, or Shakespeare wrote poetry. He should sweep streets so well that all the hosts of heaven and earth will pause to say, here lived a great street sweeper who did his job well. - Dr Martin Luther King, Jr. Together, one mind, one life at a time, let s see how many people we can impact, encourage, empower, uplift and perhaps even inspire to reach their fullest potentials.
