THE PROCESS OF AN UNDELIVERED PROPHET (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Process of an Undelivered Prophet is designed to speak to root problems in one s life, especially the root problem of a fatherless home and fatherless children. This book touched my own heart, as I believe it will touch the heart of every reader that is willing to confront root issues in their life and their family. Thank you, Deidra, for your transparency and willingness to share your testimony with people that have experienced the same pain and abandonment in their lives, and yet they have not been able to define the root problem or where their pain was going from. This book is an eye opener and necessary for all to read and understand that we are living in a fatherless generation. God, our heavenly Father, is looking for ones that will hear His heart cry to reach out with the Fathers love and be willing to give it away to somebody. The testimony in this book will shake you and awaken you to the increasing need for total healing of father issues so your root system will be strong and anchored in Christ Jesus, so the tree of life will be seen and fulfilled in you. Thank you again, Deidra, for your openness and willingness to be transparent so we all can rejoice in your victory and for the opportunity for every reader to experience the same. God Bless you and this rendering of the Fathers Love: Apostle Dr. M. Leon Walters...
