Brand New Book ***** Print on Demand *****.Very few people are aware that women were active in baseball in the United States as early as 1866. In this volume, Gai Berlage reports the histories of the umpires, players, owners, and sportswriters as well as the teams. Professional and amateur teams are covered as well as hard and softball. The author also reveals the stories of women s professional and amateur teams--Josie Caruso and her Eight Men, the Chicago Bloomer Girls, and the all-black...
