## THE BATTLE FOR VETERANS HEALTHCARE: DISPATCHES FROM THE FRONTLINES OF POLICY MAKING AND PATIENT CARE (PAPERBACK)

Cornell University Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In *The Battle for Veterans Healthcare*, award-winning author Suzanne Gordon takes us to the front lines of federal policymaking and healthcare delivery, as it affects eight million Americans whose military service makes them eligible for Veterans Health Administration (VHA) coverage. Gordon's collected dispatches provide insight and information too often missing from mainstream media reporting on the VHA and from Capitol Hill debates about its future. Drawing on interviews with veterans and their families, VHA staff and administrators, health care policy experts and Congressional decision makers, Gordon describes a federal agency under siege that nevertheless accomplishes its difficult mission of serving men and women injured, in myriad ways, while on active duty. *The Battle for Veterans Healthcare* is an essential primer on VHA care and a call to action by veterans, their advocacy organizations, and political allies. Without lobbying efforts and broader public understanding of what's at stake, a system now functioning far better than most private hospital systems may end up looking more like them, to the detriment of patients and providers alike.
