

The Argon Factor (Paperback)

By Heather Harlow

Heather Harlow Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a futuristic world, where Earth's cities are still recovering from being ravaged by gang wars, cyber crime is at its peak and threatens the world's digitized monetary supply. Susan Caldwell is a newly hired security development manager at GTS, the company that controls the world's monetary supply and data. The sophisticated systems have been hacked and now people on Susan's team are being killed while they try to fix the breach. Susan trusts no man, but must rely upon the GTS CEO, Christoph Baldric, to keep her safe. Little does she know that he's the Argon alien commander on Earth. She doesn't want a hookup with him, especially since she has plans. She's excited about her pending future, that is, if she is still alive. Christoph Baldric's mission is to protect the Earth's humans and nurture them so that eventually his people can merge with the humans. Christoph's planet, Argon, was blown up when their major sun exploded into a black hole. The people of Argon have been studying...

Reviews

A fresh e-book with a brand new perspective. This is certainly for anyone who states that there had not been a really worth reading. I am just happy to explain how this is the very best publication I have gone through in my individual lifestyle and may be the best pdf for ever.

-- Margaret Roob

The very best publication I possibly study. This is certainly for anyone who states there was not a worth looking at. I am just very happy to tell you that this is basically the best pdf I actually have studied inside my individual life and could be the very best pdf for possibly.
