Center for Literary Publishing, United States, 2011. Paperback. Condition: New. New. Language: English . Brand New Book. Kryah s lines are full of figurative grace: The images stun and accumulate. We Are Starved introduces an important poetic vision, a surprising and exciting voice. --Laura Kasischke, author of Space, in Chains and The Raising In haunted days more filled with violence than grace, Joshua Kryah has found the sacred, a way to be amazed at how you can move among the world s misfortune/and still consider it good. We Are Starved s breathtakingly mature poems are fueled by a man s internal combustion, the tremendous labor it is to live well--to be a father, a lover, a son--in a fallible world. There s a gorgeous, seeking darkness swelling the heart of We Are Starved, one that marks Kryah as among contemporary poetry s finest young voices. --Alex Lemon, author of Happy: A Memoir and Fancy Beasts Joshua Kryah is redefining what it means to write spiritual poetry. This is not another book about longings for the spiritual; this is a book of offerings to the spiritual. These poems answer the plea of Yeats s spirits ( We are starved ) and give them what they crave, depicting the particulars of human appetite and the way each peculiar and appalling hunger unfolds. The scope of these poems is dizzying; they echo and glitter and sear as they, against all odds, give us a world [that] is/suddener than any idea about the world. We Are Starved is unabashed and unflinching, and it is deeply, exquisitely satisfying. --Mary Szybist, author of Granted.
