

Herb and Spice Seeds: A Pictorial Field Guide (Paperback)

By Terry A Woodger

Universal Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This full-color, user-friendly field guide covers the basics involved in the collection, cleaning, and storage of herb and spice seeds. Learn from an expert how to overcome pests when storing seeds, and handle environmental factors that may threaten the integrity of your seeds. An introduction to identifying different varieties of seeds will make collecting easy for beginner and experienced collectors alike. Over 100 close-up color photographs of seeds gathered from herbs and spices are included in this encyclopedia-style guide. Each entry identifies the seed s family, common name, species, genera, and origin, and includes collection methods, a description of the number and color of seeds, useful hints for collection, and notes on growing the source plant. Gardeners around the world will appreciate this useful field guide when harvesting nature s bounty and preserving its genetic material for years and gardens to come.

Reviews

This publication can be really worth a go through, and a lot better than other. It is actually written in straightforward words and phrases instead of confusing. I discovered this pdf from my dad and i suggested this publication to learn.

-- Jackeline Rippin

A high quality book and also the font employed was intriguing to read. I was able to comprehend every thing out of this created e book. You wont really feel monotony at whenever you want of the time (that's what catalogues are for concerning should you check with me).

-- Prof. Johnson Cole Sr.
