CLYDESDALE (TRUCK) (PAPERBACK)

Dign Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Clydesdale is a monster truck that races on the USHRA circuit and for other promoters. Bennett has had three trucks over the years. His first truck was a late 80 s blue and silver Chevrolet Silverado that had five ton military axle housings, Rockwell PS250 planetaries, and 46 offroad shock absorbers. Bennett ran this truck till 1988. Bennetts second truck was a pink and white 1989 Chevrolet Silverado with a 144 wheelbase with an extended front clip. Deciding his axles were good after two years of use, he used him on his new truck. After a rollover due to a drag race with Wild Hair to the pits at dallas stadium in 1990, Bennett decided to rebuild the truck and repaint the body all pink with silver stripes and a horse on the door. This truck was called Clydesdale three for this reason. At its first race, Bennett was racing at Louisville Motor Speedway.
