

Little Mocos: A Novel in Stories (Paperback)

By John Paul Jaramillo

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Southern Colorado is home to little mocos Manito and his cousin Bea, both curious and sensitive, both tragically doomed and longing to live anywhere else. United in their agreement to escape onion fields and Ortiz family ghosts, the two stumble into their teen years with a stubborn brand of bad decisions and petty crimes. Against the cold and gray backdrop of the looming steel mill, Manito and Bea eventually piece together the unbending reality of their multi-generational family trauma, including an unanticipated close connection to local murderer Raymond Cornbread Vigil. The Ortiz family stories are minimal and elliptical in Little Mocos and reflect heartbreak and bleakness, but they also mirror strength and resiliency. Manito does not simply recover painful memories from his family; he begins to re-envision them. It is how Manito finds his own way to manhood and a glimpse of life outside of the county of orphans. John Paul Jaramillo, the award-winning author of this novel in stories, was listed as a Top 10 Young Latino Author to Watch and Read by Latino Boom: An Anthology of U.S. Latino Literature...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.
