Keep your drapes closed and your wife and kids in the house until we can get this guy on something. Don t look him in the eye, and don t have anything to do with him; otherwise, a rock or a bullet may be coming through one of your windows. You are in real danger and we are doing all that we can to move this guy out of this city. Though it sounds like a nightmare or a horror movie, those words began a life changing process for author and public speaker Milan D. Babyar in October of 2000. See how he responded to a threat to his family and himself by standing on the Word of God while outlining three types of Identity Theft that affect everyone. Learn how a reflection of his life story brought to light the concepts of Emotional, Criminal and Spiritual Identity Theft and how God used Milan s experience, and can use your experience, to empower followers of Christ to a place of action for His Kingdom. Begin to recognize and understand, how a fallen creation phishes to steal and victimize individuals beginning when we are a very young age. Learn how Christ counters that process through is Holy Word by inviting His followers to become fishers of men . Feel the emotion as you read Milan s story while reflecting on your own story. Be empowered to use your life experience, good, bad, happy and sad, to take the Word of God and put it into action as Christ invites all of His followers to do by making all of us fishers of men .
