By Felix Schell

Mel Bay Publications, Inc., 2015. Paperback. Condition: New. Language: English . Brand New Book. Finally, a great method which will show you how to play the acoustic jazz guitar in the style of players like Django Reinhardt, Oscar Alleman and Eddie Lang - their style is characterized by a powerful rhythm guitar and a vital swinging single-note solo line. Due to the fact that it can be very hard to master the original transcriptions, this book simplifies this style without losing the essence of the original sound. Written in standard notation and TAB, the material can be played by students and players that master the easy to intermediate level on plectrum style jazz guitar. All titles are included on the audio download available online, as well as some play along tracks which offer a great possibility to improvise on typical gypsy chord changes and rhythms.
