Womancraft Publishing, Ireland, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Highly acclaimed by leading parenting authors, academics and activists, with a foreword from Naomi Stadlen, founder of Mothers Talking and author of What Mothers Do, and How Mothers Love. If it is true that there have been waves of feminism, then mothers' rights are the flotsam left behind on the ocean surface of patriarchy. For all the talk of women's liberation, when it is predicated on liberation from motherhood, it is no liberation at all. Under twenty-first century capitalism, the bonds of motherhood are being replaced with binds to the market within wage slavery and ruthless individualism. Mothers are in bondage ? and not in a 50 Shades way. Olorenshaw is clear: When mothering is on our terms, it can be liberating. The time has come for a radical, bold and creative approach to the question of mothers, children and care. Liberating Motherhood discusses our bodies, our minds, our labour and our hearts, exploring issues from birth and breastfeeding to mental health, economics, politics, basic incomes and love and in doing so, broaches a conversation we've been avoiding for years: how do we value motherhood? Liberating Motherhood is an important contribution to a vital debate of our times. Vanessa Olorenshaw speaks with warmth, wit and clarity, representing lives and voices unheard for too long.
