KNOWING GRACE: CULTIVATING A LIFESTYLE OF GODLINESS (PAPERBACK)

InterVarsity Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Why is it that our spiritual disciplines feel so dutiful and routine most of the time? We are called to delight in Him, to draw near and enjoy Him and yet that seems far from most of our realities. There are many fine written works describing the need, purpose, and methods of spiritual disciplines. Knowing Grace complements these by fostering and deepening the reader s engagement with God through various means of grace. By using this terminology, means of grace a rightful emphasis is placed on God s initiation, invitation, and empowering to engage with Him in ways that foster a greater sensitivity to His movements, stirrings, nudges and voice. By growing more familiar with being in His presence, one experiences more of His grace, moving us from duty to delight.
