Book one of this fantasy series about reincarnated lovers. Review by Danita Dyess for Readers Favorite Author A.J. Aaron is a genius. I loved this book! Although it had fantastical images, the real story was about Sevilen accepting his power. I understood that everything is as it should be but the author s depiction of this concept is exceptional. The laid-back dialogue and cool characters helped mix fantasy with what is usually considered a serious, esoteric subject. Leyna s mindset and sexual exploits are tastefully done. Quotes from Einstein, Toffler and Drucker reinforced the message. Reluctant Gods asks you to imagine waking up one Saturday morning and learning that you are literally a god with the power to save the world. Your grandmother, Aysel, is an ancient mystic who showed you the secrets behind the trap door. Well, this scenario happened to Sevilen, an engineer with a back problem. Within 24 hours of Aysel s death, his health is restored. Then, he inherits \$77 billion and learns he can telepathically transport to another dimension....
