OUTDOOR ACCIDENTS - A GUIDE FOR PREVENTION AND RECOVERY (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Table of Contents Preface Chapter 1 - Introduction Chapter 2 - Car accidents Understanding our flaws Helping the victim Chapter 3 - Sports injuries Common sports injuries Walking through the cures Chapter 4 - Camping hazards The not so pleasant things while camping Weather issues Plants can be dangerous Bites Fractures General wounds Your camping companions Basic injury kit General items Emergency Conclusion References Author Bio Publisher Preface Survival of man has become slightly easier than that of other creatures, because of the modern techniques we have developed. We have enclosed and protected ourselves from the other species and the harmful aspects of nature by forming a separate society, but we still are in danger from ourselves through the activities we perform. This book intends to walk you through different scenarios of outdoor injuries that you might encounter while camping or travelling to and fro. Playing outdoors can be wearisome and without proper guidance one may not be able to perform effectively, and also get injured pretty quickly. Driving can create harmful scenarios and we will try and walk you through different techniques you can adopt to try and overcome such scenarios. What happens after going through an accident can be traumatic and confusing; having knowledge of how to deal with such situations can really come in handy. Camping guidelines are provided so that you can make the best choices for yourself and be out there to solely enjoy yourself and not to worry about anything. Hopefully, you have everything packed to tackle all situations and overcome all emergencies. All said, this book runs you through the times when you need help and guidance and that is what we have attempted to provide...
