Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. To become a millionaire, you need authenticity (the ability to genuinely be yourself), bravery, generosity, perseverance, the ability to build trusted relationships, skills and products around a core idea that others will pay for; a business with a clear exit plan, to get paid, and to make a profit. Along the way, this might involve writing a book, designing an interactive website, becoming a world-class speaker, attracting detractors, and being open to life showing you the way. This book shows you exactly how to make money, lots of it, while being happy by simply being yourself. Now get up and start punching back. This is a book about becoming a millionaire. Not through investment, although you may invest the money that you make. Not through savings, although you will be able to have some of those. And not through betting on the 4.10 at your local race track. This is a how-to book like no other, with seven possible paths, all leading to the same outcome. This is your book, not mine. If you do the things in this book you will become a millionaire - it s that simple. So what do you want to do? Be an authentic millionaire? Design a global brand? Start and grow your business? Avoid pitfalls? See what others don t? Become a professional speaker? Write a best seller? Your book, your choice. This is a work of fact - if, and only if, you do something with it. Otherwise, it s a work of fiction.
