Baby Peter Connelly is a name that will be forever etched in the Nations heart. His short life was one of misery and torture. What turned his mother, Tracey Connelly, boyfriend Steven Baker and his brother Jason Owen into the monsters they were. Peter was tortured by Baker and Owen in the most sadistic fashion while his mother looked on. Social workers and doctors paid over 75 visits to the flea infested dump Connelly called home but despite his constant injuries and neglect never acted to save him. Connelly herself was a victim of abuse, sent to school in rags she had the nickname Tracey Tramp at school and was the victim of abuse off her mother and all around her. As youngsters Baker and Owen tortured and skinned live animals, beat and terrorised the own grandmother, locking her in a wardrobe in a bid to get her to change her will. This is the full account of not only what happened to Peter and his siblings, it is the full story of the three evil people who caused his death. The unforgivable incompetence and the mistakes made by Haringey authorities. The public backlash and all that followed plus the culprits time in jail up to the present date and what became of the people from Haringey social services and healthcare who played a major part in the death of an innocent angel baby boy. Baker was also convicted of rape of a two year old girl. The trial made history and what happened is told for the first time.
