

Dark Secrets of the Black Museum

By Gordon Honeycomb

John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Dark Secrets of the Black Museum, Gordon Honeycomb, The Crime Museum of New Scotland Yard - invariably known as 'the Black Museum' - houses a remarkable collection of exhibits connected with the most notorious crimes in British history. Gordon Honeycombe was granted privileged access to classified records, and reveals in this book the secrets of twenty British murders between 1835-1985. The author's painstaking research, which reaches beyond the Black Museum to other archives, as well as contemporary newspapers and similar accounts, allows him to give searching detailed accounts of murders and manslaughter committed by such infamous characters as William Palmer, Charles Peace, Donald Nielsen (the 'Black Panther'), the serial killer Dennis Nielsen, and Ruth Ellis, the last woman to be hanged in Britain. Here too are the political assassination of the Bulgarian writer Georgi Markov, and the murder by IRA bomb of four soldiers of the Household Cavalry in Hyde Park, in a work that provides a fascinating, if uncomfortable, insight into the minds and methods of those who practise murder.

Reviews

Absolutely among the finest book We have at any time read through. We have read through and that i am sure that i will going to read once more again later on. I found out this book from my i and dad suggested this book to find out.

-- Alford McClure

I actually started reading this article ebook. It is actually packed with knowledge and wisdom Its been printed in an remarkably simple way and it is only after i finished reading this pdf where in fact modified me, alter the way i believe.
